Monthly allowance

MONTHLY ALLOWANCE

You will be given a rank allowance in recognition of your contributions. Those in higher ranks are given a higher quantum in recognition of their heavier responsibilities. You will also be given vocation allowance in recognition of the different vocational demands placed on you. Your total NS allowance comprise both the rank allowance and vocation allowance. (Note: Since 1 Mar 2020, combat allowance has been replaced by vocation allowance.)

Monthly rank allowance

Enlistees		Specialists		Officers	
Rank	Starting rank allowance	Rank	Starting rank allowance	Rank	Starting rank allowance
Recruit or Private	\$680	Specialist Cadet	\$770	Officer Cadet	\$960
Lance Corporal	\$700	Third Sergeant	\$1000	Second Lieutenant	\$1200
Corporal	\$750	Second Sergeant	\$1100	Lieutenant	\$1380
Corporal First Class	\$790	First Sergeant	\$1170		

Vocation Allowance

NS	Vocations	Monthly vocation allowance
1	Service and Technical vocations	\$75
2	All combatants except those under S/N 3 and 4	\$225
3	<ul style="list-style-type: none">AircrewArmour, Cavalry, InfantryCombat Medics, Specialists or Officers in the Medical Response Force or deployed on the Singapore Civil Defence Force ambulancesSnagging	\$300
4	<ul style="list-style-type: none">Chemical, Biological, Radiological Defence or Explosive Ordnance DisposalCommandosNaval Diver	\$500

$$960 + 225 = \$1185 \text{ (allowance for next 4 months)}$$

$$1200 + 225 = \$1605 \text{ (allowance for 11 months after)}$$

$$1380 + 225 = \$1605 \text{ (allowance for 3 months after)}$$

$$\underline{2496 + (4 \times 1185) + (11 \times 1425) + (3 \times 1605) = \$27726 \text{ SGD}}$$

$$\$200 \times 18 = \$3600 \text{ (expenses for all next 18 months)}$$

$$27726 - 3600 = \$24126 \text{ SGD} = \underline{\underline{\$17956 \text{ USD}}}$$
